Matt Florell, President

Subject: Florida State Senate District 6 Election survey

Date: January 15, 2015

Executive Summary:

This poll of 504 Florida likely Republican Primary voters was conducted from Monday, January 12, 2015 to Thursday, January 15, 2015. This poll used the registered voter lists supplied by the state of Florida as of January 7, 2015. The sample of voters that were contacted included random samples of registered Republican voters within the boundaries of Florida State Senate District 6.

The issues surveyed included questions related to the 2015 special election.

Methodology:

The poll was conducted by two methods: an automated phone call polling system and a web-based email polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active Republican voter population for Florida State Senate District 6. The demographics used were: race, age and gender.

The sample of voters polled was chosen at random within the active voter population within Florida State Senate District 6. Only those voters that said they were planning to vote in the Republican Primary were included in the results. Only those voters that voted in the 2014 or 2012 general elections were included in the results.

The scientific results shown for the questions below have a sample size of 504 and a 4.4% Margin of Error at a 95% confidence level.

150 (30%) of the respondents were contacted through email

354 (70%) of the respondents were contacted through the telephone
