Matt Florell, President

**Subject: Florida State Senate District 23 Election Survey
conducted for FloridaPolitics.com**

Date: July 26, 2016

Executive Summary:

This poll of 576 Florida likely Republican primary voters was conducted on July 26th, 2016. This poll used the registered voter lists supplied by the state of Florida as of July 12, 2016. The sample of voters that were contacted included random samples of registered voters within the boundaries of Florida's 23rd State Senate District.

The issues surveyed included questions related to the 2016 primary election.

Methodology:

The poll was conducted by an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active Republican primary voter population for Florida's 23rd State Senate District. The demographics used were: race, age and gender.

The sample of voters polled was chosen at random within the registered voter population within Florida's 23rd State Senate District. Only those voters that voted in a primary election in 2012 or 2014 were included in the results.

The scientific results shown for the questions below have a sample size of 576 and a 4.1% Margin of Error at a 95% confidence level.
