**Subject: Pasco County Florida General Election Survey
conducted for FloridaPolitics.com**

Date: October 22, 2018

Executive Summary:

This poll of 672 likely Pasco County, Florida voters was conducted on October 22nd, 2018. This poll used the registered voter lists supplied by the state of Florida as of September 12th, 2018. The sample of voters that were contacted included random samples of registered voters within the boundaries of Pasco County, Florida.

The issues surveyed included questions related to the 2018 general election.

Methodology:

The poll was conducted by an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active voter population for Pasco County Florida . The demographics used were: political party, race, age and gender.

The sample of voters polled was chosen at random within the registered voter population within Pasco County, Florida. Voters that stated they were not planning on voting in the general election were excluded from the results below.

The scientific results shown for the questions below have a sample size of 672 and a 3.8% Margin of Error at a 95% confidence level.
