Matt Florell, President

Subject: Tampa, Florida Mayoral Election Survey

Date: May 10, 2018

Executive Summary:

This poll of 424 Tampa, Florida likely voters was conducted on May 10th, 2018. This poll used the registered voter lists supplied by the state of Florida as of March 13th, 2018. The sample of voters that were contacted included random samples of registered voters within the boundaries of the City of Tampa, Florida.

The issues surveyed included questions related to the 2019 city election.

Methodology:

The poll was conducted by an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active voter population for the City of Tampa, Florida. The demographics used were: political party, race, age and gender.

The sample of voters polled was chosen at random within the registered voter population within the City of Tampa, Florida. Voters who stated that they were not planning to vote in the election were excluded from the results below.

The scientific results shown for the questions below have a sample size of 424 and a 4.8% Margin of Error at a 95% confidence level.
