Matt Florell, President

**Subject: Florida Congressional District 19 Republican Primary survey
conducted for FloridaPolitics.com**

Date: October 27, 2019

Executive Summary:

This poll of 878 Florida registered Republican voters was conducted on October 26th to 27th 2019. This poll used the registered voter lists supplied by the state of Florida as of July 9th, 2019. The sample of voters that were contacted included random samples of registered Republican voters within the boundaries of the Florida's 19th Congressional district.

The issues surveyed included questions related to the 2020 primary election.

Methodology:

The poll was conducted by an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active Republican voter population for Florida's 19th Congressional district. The demographics used were: political party, race, age and gender.

The sample of voters polled was chosen at random within the registered Republican voter population within Florida's 19th Congressional district.

The scientific results shown for the questions below have a sample size of 878 and a 3.3% Margin of Error at a 95% confidence level.
