Subject: City of Jacksonville Survey conducted for FloridaPolitics.com

Date: February 12, 2019

Executive Summary:

This poll of 1,027 Jacksonville, Florida likely voters was conducted on February 12th, 2019. This poll used the registered voter lists supplied by the state of Florida as of January 8th, 2019. The sample of voters that were contacted included random samples of registered voters within the boundaries of the City of Jacksonville, Florida.

The issues surveyed included questions related to the City of Jacksonville 2019 election.

Methodology:

The poll was conducted by an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active voter population for City of Jacksonville. The demographics used were: political party, race, age and gender.

The sample of voters polled was chosen at random within the registered voter population within City of Jacksonville, Florida. Respondents who stated that they were not planning on voting in the Jacksonville election were excluded from the results below.

The scientific results shown for the questions below have a sample size of 1,027 and a 3.1% Margin of Error at a 95% confidence level.
Summary of Scientific Results:

If the election for Mayor of Jacksonville were held today which candidate would you vote for: Omega Allen, Anna Brosche, Lenny Curry or Jimmy Hill?

- Omega Allen: 3.3%
- Anna Brosche: 19.6%
- Lenny Curry: 57.8%
- Jimmy Hill: 3.6%
- Undecided: 15.7%

Do you plan to vote in the upcoming Jacksonville election?

- Yes: 94.6%
- Unsure: 5.4%
