**Subject: Florida State House District 4 survey conducted for  
FloridaPolitics.com**

**Date: August 13, 2020**

**Executive Summary:**

This poll of 468 likely Republican Florida State House District 4 voters was conducted on August 13<sup>th</sup> 2020. This poll used the registered voter lists supplied by the state of Florida as of June 9<sup>th</sup>, 2020. The sample of voters that were contacted included random samples of registered voters within the boundaries of Florida's 4<sup>th</sup> State House District.

The issues surveyed included questions related to the Republican primary election in Florida's 4<sup>th</sup> State House District.

**Methodology:**

The poll was conducted through an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active Republican primary voter population for Florida's 4<sup>th</sup> State House District. The weighting demographics used were: race, age and gender.

Only voters who had stated that they were likely to vote in the August 2020 primary election were included in the results.

The scientific results shown for the questions below have a sample size of 468 and a 4.5% Margin of Error at a 95% confidence level.
