Matt Florell, President

Subject: Florida Statewide survey conducted for FloridaPolitics.com

Date: April 17, 2020

Executive Summary:

This poll of 5,659 registered Florida voters was conducted from April 16 to April 17, 2020. This poll used the registered voter lists supplied by the state of Florida as of January 7th 2020. The sample of voters that were contacted included random samples of registered voters within the boundaries of the state of Florida.

The issues surveyed included questions related to 2020 Presidential Election in Florida.

Methodology:

The poll was conducted through an automated phone call polling system. The results were then weighted to account for proportional differences between the respondents' demographics and the demographics of the active voter population for the state of Florida. The weighting demographics used were: political party, race, age, gender and media market.

The scientific results shown for the questions below have a sample size of 5,659 and a 1.3% Margin of Error at a 95% confidence level.
